

Packaging and Packaging Waste Regulation (EU) No.2025/40

We hereby advise that currently, to our knowledge and after careful checking with our suppliers, no products supplied to Bluemay Weston Limited (“the Company”) contain any of the prohibited substances that are controlled by the above regulation.

The purpose of this policy is to ensure that Bluemay Weston complies with the requirements of the **Packaging and Packaging Waste Regulation (EU) No. 2025/40 (PPWR)** and continually improves the environmental performance of the packaging used for our products.

We require suppliers to the Company to keep up to date and to notify the Company of any changes with regard to the materials supplied. The Company will in turn notify customers of any relevant changes.
